No One Camps Alone

Be Prepared
Know your camping area. Check weather conditions. Wear proper clothing for the weather.

Water
Bring your own water or water filter for drinking.

Animals
Do not handle, feed, or attract wild animals.

Campfire
Dig a small pit for fire. Clear a five-foot area around the pit down to the soil. Never leave a campfire unattended.

Have a written plan of activities, map of the area, emergency phone numbers, the locations of medical assistance, lodges, park rangers, and leave a copy with someone at home.

Have fun and look out for each other this summer.
Do your part to protect your Band of Brothers and Sisters.
