

Project ChildSafe® (<http://www.projectchildsafe.org/>)

Project ChildSafe® is a nationwide program whose purpose is to promote safe firearms handling and storage practices among all firearms owners through the distribution of key safety education messages and free gun locking devices (safety kits).

Since 2003, Project ChildSafe® has distributed more than 35 million safety kits to gun owners in all 50 states and five U.S. territories and continues to help its law enforcement partners promote firearms safety by providing educational materials and support services.

Project ChildSafe® encourages gun owners to get a safety kit from participating law enforcement partners in their state. Your installation military police or local civilian law enforcement agency may already be a [Project ChildSafe Distribution Partner](#).

Eddie Eagle GunSafe® Program (<http://www.nrahq.org/safety/eddie/>)

The Eddie Eagle GunSafe® Program teaches children in pre-K through third grade four important steps to take if they find a gun. These steps are presented by the program's mascot, Eddie Eagle®, in an easy-to-remember format consisting of the following simple rules:

If you see a gun:

STOP!

Don't Touch.

Leave the Area.

Tell an Adult.

Materials available through this program are: student workbooks, a 7-minute animated video (available on DVD or VHS), instructor guides, brochures, and student reward stickers. The program is available free of charge to all U.S. military and law enforcement personnel. Once you have determined the amount of materials you need (there is no limit to what you can order) you can call (800) 231-0752 to place your order. Delivery takes approximately 2-3 weeks.
