Figure 4–1. Example of completed DA Form 285, Technical Report of U.S. Army Ground Accident—continued
g. Section F–Corrective Action and Command Review.

(1) Block 65. The investigation board will formulate the findings and recommendations on letter sized paper in accordance with paragraph 4–3 and the examples contained in DA Pam 385-40.

Note. The level of command review (company, battalion, division, and so forth) is determined by either the Army Headquarters or installation policy.

(2) Block 66. Provide the name (block 66a), rank (block 66b), and telephone number (block 66e) of the unit commander. Ensure the information is typed or printed legibly, and specify whether the telephone number is DSN or commercial. Also ensure the commander signs and dates the report in blocks 66c and 66d as part of the review process. Enter this individual’s e-mail address in block 66f.

(3) Blocks 67 through 69. Provide the names and e-mail address (blocks 67a, 68a, and 69a), titles (blocks 67c, 68c, and 69c), and ranks (blocks 67d, 68d, and 69d) of the individuals in the chain of command who have reviewed this report. Ensure the information is typed or printed legibly. Ensure each individual in the chain of command signs and dates the report in blocks 67b and d, 68b and d, or 69b and d. For on-duty Class A and B accidents, use blocks 1 and 2, DA Form 285–O (Statement of Reviewing Officials), for reviewing official and approving authority comments, included at Tab A of the report, and reference that form in this block. (See para 4–9.)

h. Section G–Safety Office Use Only. This section is for local safety office use only and should be left blank by all other personnel. The safety office will complete this section on all accidents.

(1) Block 70. Enter the local report number for this accident report.

(2) Block 71. Enter the Army Headquarters of the unit shown in block 2 (the unit responsible for the accident).

(3) Block 72. Check the accident type(s) that best describe this accident. Check all that apply. Consult DA Pam 385-40, chapter 1, paragraph 1–9, for definitions. If fratricide is the type of accident, declare it in the narrative, block 63.

(4) Blocks 73 and 74. Provide the name (block 73) and signature, telephone number (block 74a), and the e-mail address (block 74b) of the local safety office POC for information about this report. Ensure the information is typed or printed legibly, and specify whether the telephone number is DSN or commercial.

(5) Block 75. Enter the date the report was completed by the safety office (yyyyymmdd).

i. Section H–Explosives/Ammunition Information.

(1) Blocks 76, Explosives/Ammunition Information. If block 10 was checked “Yes,” enter the following:
(a) Enter the lot numbers.
(b) Enter the quantity.
(c) Enter the net explosive weight (NEW) of all ammunition and explosives involved.
(d) If explosives or ammunition were involved, enter the model number and DODAC or DODIC.

(2) Blocks 77 and 78. Fill in the required information.

Note. If the explosive/ammunitions were exposed to significant environmental conditions, the environmental conditions should be checked in block 62, and an explanation of the conditions and their effect on the explosive/ammunitions should be provided in the narrative. Significant E3. For example, radiated energy (such as being in close proximity to a radar site), electromagnetic energy, electrostatic energy or high voltage; water or high humidity; or prolonged exposure to direct sunlight.
