Take 5

before going camping!

Roughing It

- Know your camping area and check weather conditions. Wear proper clothing for the weather
- Be sure to pack a complete first-aid kit and know how to use it
- Bring your own water or water filter for drinking
- Never handle, feed or attract wild animals
- Dig a small pit for the campfire. Clear a 5-foot area around the pit down to the soil. Never leave a fire unattended
- Have a written plan of activities, area map, emergency telephone numbers, locations of medical assistance, lodges and park rangers, and leave a copy with someone at home
