

## FOR OFFICIAL USE ONLY

U.S. Army Accident Information  
Class A Ground Accidents for 1 October 2014 to 7 May 2015  
Primary Accident Type is **POM** and  
Vehicle Type is **Motorcycle**  
**CASES=10**

No	Case Number	Description
1	20150507003	A Soldier along with four other military motorcycle riders were conducting a motorcycle check ride with the Soldier riding as the trail rider. Soldier was involved in a fatal accident.
2	20150425001	Soldier was riding his POM when he reportedly turned left abruptly to avoid a collision and entered the median and then the opposing lanes, where he collided head on with an approaching pick-up truck. Soldier was pronounced dead at the scene from injuries sustained. PPE/MSF-TBD
3	20150419001	Soldier was operating a POM with his spouse riding as his passenger when he reportedly failed to negotiate a left-hand curve and crashed. Soldier was reportedly NOT wearing a helmet and was pronounced dead at the scene. Speed is reported as causal.
4	20150416002	Minimal data avail to date; Soldier crashed at an exit and rush-hour traffic was subsequently blocked. Updates to follow.
5	20150315004	Soldier was proceeding on a local highway when his bike drifted across the centerline and collided with an approaching vehicle. Soldier was pronounced dead at the scene. Speed is not initially indicated as causal. PPE- Yes; MSF-Yes; Speed/Alcohol-TBD
6	20150315003	Soldier was operating his POM and reportedly rounding a bend, when he struck the rear end of a pick-up preceding him. Impact threw the Soldier from his bike, into an adjacent concrete wall. He was pronounced dead on impact. PPE-TBD; MSF-Yes; Alcohol/Drugs-TBD
7	20150221002	Soldier was riding his POM with other Soldiers when he lost control on a sharp curve. The rider ran off the road into a ravine. The Soldier was not found until the next morning. Speed is a possible factor. PPE/MSF-Yes Alcohol-TBD
8	20141107001	Soldier was operating his POM when he was reportedly struck by a 4-wheeled vehicle. -Weather was reportedly not a factor. --Soldier was reportedly wearing a protective helmet at the time of the accident.
9	20141019001	Soldier was riding with another Soldier when he left the road and impacted a tree after having accelerated. Soldier was evacuated to the hospital, where he passed from his injuries at approx. 1500.
10	20141016002	Soldier was proceeding on a roadway on his POM when he collided with a vehicle (presumed POV) as it was turning left into his path at an intersection. The Soldier died from his injuries.
