U.S. Army Accident Information

Class A Ground Accidents for FY 2015 for Oct 01 thru Jun 02

Primary Accident Type is AMV

CASES=4

No	Case Number	
1	20150602001	Soldier was operating the HMMWV as the sole occupant when it overturned on an unimproved road, reportedly in soft-sand conditions. Soldier was ejected and pinned by the right, front, passenger-side tire and suffered fatal injuries as a result.
2	20150501002	A civilian vehicle struck the rear vehicle of a military convoy. All four Soldiers were injured. One Soldier was air lifted, and three Soldiers were ground evacuated to a local hospital. One soldier passed away from his injuries six days later, a second Soldier passed on 14 May.
3	20141115001	Vehicle was en route to the training site via an (improved) trail when it jolted upon contacting a run-off. Driver's door came open in the sequence and he was partially ejected and pinned when the vehicle turned onto the driver's side. EMS declared the driver dead at the scene.
