U.S. Army Accident Information
Class A Ground Accidents for 1 October 2014 to 22 Jul 2015
Primary Accident Type is **POM** and
Vehicle Type is **Motorcycle**
CASES=17

No	Case Number	Description
1	20150722002	Soldier was proceeding and changing lanes on an access ramp when he apparently lost control on a sweeping left curve. His bike overturned and struck a guardrail, throwing him into a post on the guard rail. He was reportedly traveling at the posted limit (55MPH) MSF/PPE-TBR
2	20150708001	Soldier was observed traveling at a high rate of speed while negotiating a left turn, he lost control negotiating a median and struck the curb. The Soldier was thrown from his bike and struck the ground head first. Soldier was wearing a DOT-approved helmet but sustained fatal injuries as a result.
3	20150706002	Soldier was riding his POM thru a highway tunnel when he reportedly lost control in a curve and struck the tunnel wall. Soldier was wearing full PPE and speed has not been cited as a factor but Soldier ultimately died at 1923 local from injuries sustained. MSF/PPE/-TBD
4	20150706003	Soldier was operating his POM with the right of way when he collided with a pick-truck that was turning left across his path. Soldier died at 0051, the following morning, of injuries sustained. Speed/PPE use TBR.
5	20150621002	Soldier was conducting an off-duty motorcycle ride for less experienced riders when he crashed after cresting a hill. He had been riding as the lead and was discovered after the remaining riders crested a hill. Soldier was wearing full PPE and was fully trained but was pronounced dead at the scene.
6	20150614001	Soldier struck a 3x5-foot concrete barricade that was blocking the road while riding his POM. Soldier was evac'd to the local hospital where he died a few hours later. Speed/Alcohol-Suspected PPE/MSF- TBD
7	20150613001	Two Soldiers were riding together when their motorcycles apparently collided. Both were injured and airlifted to Vanderbilt. Soldier1 was pronounced deceased at 0600 local. Soldier1 was riding a 2003 Honda C4 954 sports bike and wearing PPE.
8	20150507003	A Soldier along with four other military motorcycle riders were conducting a motorcycle check ride with the Soldier riding as the trail rider. Soldier was involved in a fatal accident.
9	20150425001	Soldier was riding his POM when he reportedly turned left abruptly to avoid a collision and entered the median and then the opposing lanes, where he collided head on with an approaching pick-up truck. Soldier was pronounced dead at the scene from injuries sustained. PPE/MSF-TBD
10	20150419001	Soldier was operating a POM with his spouse riding as his passenger when he reportedly failed to negotiate a left-hand curve and crashed. Soldier was reportedly NOT wearing a helmet and was pronounced dead at the scene. Speed is reported as causal.
11	20150416002	Minimal data avail to date; Soldier crashed at an exit and rush-hour traffic was subsequently blocked. Updates to follow.
12	20150315004	Soldier was proceeding on a local highway when his bike drifted across the centerline and collided with an approaching vehicle. Soldier was pronounced dead at the scene. Speed is not initially indicated as causal. PPE- Yes; MSF-Yes; Speed/Alcohol-TBD
13	20150315003	Soldier was operating his POM and reportedly rounding a bend, when he struck the rear end of a pick-up preceding him. Impact threw the Soldier from his bike, into an adjacent concrete wall. He was pronounced dead on impact. PPE-TBD; MSF-Yes; Alcohol/Drugs-TBD

14	20150221002	Soldier was riding his POM with other Soldiers when he lost control on a sharp curve. The rider ran off the road into a ravine. The Soldier was not found until the next morning. Speed is a possible factor. PPE/MSF-Yes Alcohol-TBD
15	20141107001	Soldier was operating his POM when he was reportedly struck by a 4-wheeled vehicle. -Weather was reportedly not a factor. --Soldier was reportedly wearing a protective helmet at the time of the accident.
16	20141019001	Soldier was riding with another Soldier when he left the road and impacted a tree after having accelerated. Soldier was evacuated to the hospital, where he passed from his injuries at approx. 1500.
17	20141016002	Soldier was proceeding on a roadway on his POM when he collided with a vehicle (presumed POV) as it was turning left into his path at an intersection. The Soldier died from his injuries.
