U.S. Army Accident Information
Class A Ground Accidents for 1 October 2014 to 4 Sep 2015
Primary Accident Type is **POM** and
Vehicle Type is **Motorcycle**
CASES=22

No	Case Number	Description
1	20150904001	Soldier was proceeding through an intersection when he collided with an SUV that had turned left into his path, striking its right front door panel. Soldier was licensed, trained, and had been wearing full PPE. Soldier was pronounced dead at the scene.
2	20150823001	Soldier lost control of her POM and struck a tree while riding with her Soldier-spouse. Soldier was pronounced deceased at the scene. Soldier had allegedly just received her (NC) state motorcycle endorsement and was scheduled to attend the Ft Bragg BRC 21-22 Sep.
3	20150812002	Soldier lost control of his sport bike while traveling on a road and was thrown into a roadside light pole. Soldier was wearing all PPE and just completed the BRC one week prior. Soldier was pronounced deceased at the ER on the installation. Alcohol/Speed-Not Suspected
4	20150724001	Soldier apparently lost control of his POM on a curve and struck a roadside pole. He was subsequently thrown into the road, where he was then struck by another Soldier who was following him with his POV.
5	20150723003	Soldier was riding his POM northbound on a highway, when a pickup truck traveling southbound made a left-hand turn into a driveway in front of the Soldier. POM struck the front right wheel of pickup causing him to be thrown from it. The Soldier was pronounced dead at the scene. PPE/MSF-TBR
6	20150722002	Soldier was proceeding and changing lanes on an access ramp when he apparently lost control on a sweeping left curve. His bike overturned and struck a guardrail, throwing him into a post on the guard rail. He was reportedly traveling at the posted limit (55MPH) MSF/PPE-TBR
7	20150708001	Soldier was observed traveling at a high rate of speed while negotiating a left turn, he lost control negotiating a median and struck the curb. The Soldier was thrown from his bike and struck the ground head first. Soldier was wearing a DOT-approved helmet but sustained fatal injuries as a result.
8	20150706002	Soldier was riding his POM thru a highway tunnel when he reportedly lost control in a curve and struck the tunnel wall. Soldier was wearing full PPE and speed has not been cited as a factor but Soldier ultimately died at 1923 local from injuries sustained. MSF/PPE/-TBD
9	20150706003	Soldier was operating his POM with the right of way when he collided with a pick-truck that was turning left across his path. Soldier died at 0051, the following morning, of injuries sustained. Speed/PPE use TBR.
10	20150621002	Soldier was conducting an off-duty motorcycle ride for less experienced riders when he crashed after cresting a hill. He had been riding as the lead and was discovered after the remaining riders crested a hill. Soldier was wearing full PPE and was fully trained but was pronounced dead at the scene.
11	20150614001	Soldier struck a 3x5-foot concrete barricade that was blocking the road while riding his POM. Soldier was evac'd to the local hospital where he died a few hours later. Speed/Alcohol-Suspected PPE/MSF- TBD
12	20150613001	Two Soldiers were riding together when their motorcycles apparently collided. Both were injured and airlifted to Vanderbilt. Soldier1 was pronounced deceased at 0600 local. Soldier1 was riding a 2003 Honda C4 954 sports bike and wearing PPE.
13	20150507003	A Soldier along with four other military motorcycle riders were conducting a motorcycle check ride with the Soldier riding as the trail rider. Soldier was involved in a fatal accident.

14	20150425001	Soldier was riding his POM when he reportedly turned left abruptly to avoid a collision and entered the median and then the opposing lanes, where he collided head on with an approaching pick-up truck. Soldier was pronounced dead at the scene from injuries sustained. PPE/MSF-TBD
15	20150419001	Soldier was operating a POM with his spouse riding as his passenger when he reportedly failed to negotiate a left-hand curve and crashed. Soldier was reportedly NOT wearing a helmet and was pronounced dead at the scene. Speed is reported as causal.
16	20150416002	Minimal data avail to date; Soldier crashed at an exit and rush-hour traffic was subsequently blocked. Updates to follow.
17	20150315004	Soldier was proceeding on a local highway when his bike drifted across the centerline and collided with an approaching vehicle. Soldier was pronounced dead at the scene. Speed is not initially indicated as causal. PPE- Yes; MSF-Yes; Speed/Alcohol-TBD
18	20150315003	Soldier was operating his POM and reportedly rounding a bend, when he struck the rear end of a pick-up preceding him. Impact threw the Soldier from his bike, into an adjacent concrete wall. He was pronounced dead on impact. PPE-TBD; MSF-Yes; Alcohol/Drugs-TBD
19	20150221002	Soldier was riding his POM with other Soldiers when he lost control on a sharp curve. The rider ran off the road into a ravine. The Soldier was not found until the next morning. Speed is a possible factor. PPE/MSF-Yes Alcohol-TBD
20	20141107001	Soldier was operating his POM when he was reportedly struck by a 4-wheeled vehicle. -Weather was reportedly not a factor. --Soldier was reportedly wearing a protective helmet at the time of the accident.
21	20141019001	Soldier was riding with another Soldier when he left the road and impacted a tree after having accelerated. Soldier was evacuated to the hospital, where he passed from his injuries at approx. 1500.
22	20141016002	Soldier was proceeding on a roadway on his POM when he collided with a vehicle (presumed POV) as it was turning left into his path at an intersection. The Soldier died from his injuries.
