## PMV-2 Mishap Claims One Soldier's Life

A 23-year-old Second Lieutenant assigned to 101st Airborne Division, Fort Campbell, Kentucky, died in a PMV-2 mishap 16 July 2018 in Clarksville, Tennessee, at 1200 local. The Soldier was on leave and operating his motorcycle with the right of way when he collided with a vehicle that turned into his path of travel. He was wearing an approved helmet.

### ENGAGEMENT TIPS:

- Any intersection is potentially hazardous, whether it has stoplights, stop signs or is unmarked.
- The majority of multi-vehicle motorcycle crashes generally are caused when other drivers simply didn't see the motorcyclist. Proceed cautiously at intersections and yield to pedestrians and other vehicles as appropriate.
- Be mentally prepared for every ride and assume vehicles may pull out in front of you.

*PLRs provide leaders with awareness of Army loss and highlight potential trends that affect combat readiness. Our Army depends on you to use these PLRs to help Soldiers understand the impact of decisions made on and off duty.*
