AMV Mishap Claims One Soldier's Life

A Specialist assigned to 1st Infantry Division, Fort Riley, Kansas, died in an Army motor vehicle mishap on the installation 22 October 2018 at 0512 local. The Soldier was driving an M978A2 HEMTT fuel tanker, supporting gunnery operations under limited visibility, when the vehicle overturned at a sharp bend on a dirt road. The assistant driver sustained non-fatal injuries and returned to duty. The USACRC is leading a safety investigation into the mishap.

PLRs provide leaders with awareness of Army loss and highlight potential trends that affect combat readiness. Our Army depends on you to use these PLRs to help Soldiers understand the impact of decisions made on and off duty.
