PMV-4 Mishap Claims One Soldier's Life

A 31-year-old Specialist assigned to 82nd Airborne Division died in a PMV-4 mishap 25 March 2019 in Fort Bragg, North Carolina, at 1730 local. The Soldier was the driver of a vehicle that collided with an oncoming vehicle. He was reportedly not wearing a seat belt.

ENGAGEMENT TIPS:

- Leaders, when was the last time you had a one-on-one discussion with your Soldiers about the importance of using seat belts?
- What is your organization doing to enforce standards before a mishap happens?

PLRs provide leaders with awareness of Army loss and highlight potential trends that affect combat readiness. Our Army depends on you to use these PLRs to help Soldiers understand the impact of decisions made on and off duty.
