## Training Mishap Claims One Soldier's Life

A 32-year-old Staff Sergeant assigned to Fort Carson, Colorado, died in a training mishap 25 September 2019 at Camp Casey, Korea, at 0727 local. The Soldier had just completed the road march portion of the Expert Field Medical Badge Qualification when he collapsed. The onsite physician's assistant immediately assessed the Soldier and found no pulse or respiratory response. The medical staff administered CPR and used an automated external defibrillator machine on the Soldier before he was air evacuated to a local hospital, where he was pronounced dead.

*PLRs provide leaders with awareness of Army loss and highlight potential trends that affect combat readiness. Our Army depends on you to use these PLRs to help Soldiers understand the impact of decisions made on and off duty.*
