PMV-4 Mishap Claims One Soldier's Life

A Private First Class assigned to Fort Campbell, Kentucky died in a PMV-4 mishap 10 April 2021 on the installation, at 0815 local. The Soldier lost control of his vehicle, exited the road, rolled, struck a tree, and came to rest with the roof of his vehicle against the tree. As a result of the roof striking against the tree, it crushed the Soldier. It is unknown at this point if he was wearing his seat belt or if alcohol was involved, but the survivable space inside the vehicle had been compromised.

Since 2016, the Army has lost an average of 33 Soldiers a year to off-duty PMV-4 mishaps. This mishap is the 21st PMV-4 fatality of FY21.

PLRs are intended to be used as an engagement tool for leaders to discuss the hazards and trends impacting Soldier safety and readiness. The PLR contains only basic information but provides sufficient background to allow leaders an opportunity to communicate risk at the Soldier level. More detailed information on this and other Army mishaps can be found on the U.S. Army Combat Readiness Center website at <https://safety.army.mil/lessonslearned>.
