## PMV-2 Mishap Claims One Soldier's Life

An Active Guard Reserve Sergeant assigned to the Army National Guard, Nashville, Tennessee, died in a PMV-2 mishap 18 July 2021 in Johnson City, Tennessee, at 0251 local. The Soldier was operating his motorcycle when he lost control, left the roadway and impacted a ditch. Another Soldier following behind him in a private motor vehicle stated the Soldier was traveling at a high rate of speed at the time of the mishap. Alcohol reportedly was not a contributing factor. The Soldier's completion of mandatory Motorcycle Safety Foundation's training and personal protective equipment use have not been verified. The safety/unit points of contact are waiting for local law enforcement to release their report.

**Since 2016, the Army has lost an average of 27 Soldiers a year to off-duty PMV-2 mishaps. This mishap was the 16th off-duty PMV-2 fatality of FY21.**

*PLRs are intended to be used as an engagement tool for leaders to discuss the hazards and trends impacting Soldier safety and readiness. The PLR contains only basic information but provides sufficient background to allow leaders an opportunity to communicate risk at the Soldier level. More detailed information on this and other Army mishaps can be found on the U.S. Army Combat Readiness Center website at <https://safety.army.mil/lessonslearned>.*
