PMV-2 Mishap Claims One Soldier's Life

A 25-year-old Sergeant assigned to Fort Bragg, North Carolina, died in a PMV-2 mishap 18 May 2022 in Fayetteville, North Carolina, at 2211 local. The Soldier struck a civilian SUV that was making a left turn. He was transported to Cape Fear Valley Medical Center where he was pronounced dead. It is currently unknown if speed or alcohol were factors. This mishap is still under investigation by the Fayetteville Police Department.

Since 2017, the Army has lost an average of 25 Soldiers a year to off-duty PMV-2 mishaps. This mishap was the 17th off-duty PMV-2 fatality of FY22.

PLRs are intended to be used as an engagement tool for leaders to discuss the hazards and trends impacting Soldier safety and readiness. The PLR contains only basic information but provides sufficient background to allow leaders an opportunity to communicate risk at the Soldier level.
