

22-051

A 20-year-old Specialist assigned to Fort Bliss, Texas, died as a result of injuries from a PMV-4 mishap that occurred 12 June 2022 in El Paso, Texas, at 0030 local. The Soldier was crossing the street when she was struck by a pickup truck that fled the scene. It is unknown who notified 911. The Soldier was transported to the local hospital for treatment and died the following day. The El Paso Police Department is investigating the mishap.

**Since 2017, the Army lost an average of seven Soldiers a year to PMV-Pedestrian/Non-Motorist mishaps. This mishap was the first PMV-Pedestrian/Non-Motorist fatality of FY22 and below the number of fatalities for the same time period last year.**

*PLRs are intended to be used as an engagement tool for leaders to discuss the hazards and trends impacting Soldier safety and readiness. The PLR contains only basic information but provides sufficient background to allow leaders an opportunity to communicate risk at the Soldier level. More detailed information on this and other Army mishaps can be found on the U.S. Army Combat Readiness Center website at <https://safety.army.mil/lessonslearned>.*
