A 27-year-old Specialist assigned to Fort Benning, Georgia, died in a PMV-2 mishap 25 June 2022 in Fort Mitchell, Alabama, at 2122 local. The Soldier was operating his motorcycle when he collided with an SUV turning east off the highway. Alabama State Troopers and emergency medical services personnel responded and pronounced the Soldier dead at the scene. Initial reports state that speed was a contributing factor. The Soldier was wearing the required personal protective equipment and had completed Motorcycle Safety Foundation training. The involvement of alcohol or drugs is currently unknown.

Since 2017, the Army has lost an average of 25 Soldiers a year to off-duty PMV-2 mishaps. This mishap was the 20th off-duty PMV-2 fatality of FY22.

PLRs are intended to be used as an engagement tool for leaders to discuss the hazards and trends impacting Soldier safety and readiness. The PLR contains only basic information but provides sufficient background to allow leaders an opportunity to communicate risk at the Soldier level.
