## PMV-4 Mishap Claims One Soldier's Life

A 19-year-old Private assigned to Fort Knox, Kentucky, died in a PMV-4 mishap 23 July 2022 in Oldham County, Kentucky, at 1430 local. The Soldier was traveling northbound when he collided with two semi-trucks. He was pronounced dead at the scene. The circumstances surrounding the mishap are under investigation by local law enforcement and the Army Criminal Investigation Division.

**Since 2017, the Army has lost an average of 35 Soldiers a year to PMV-4 mishaps. This mishap was the 22nd PMV-4 fatality of FY22 and below the number of fatalities for the same time period last year.**

*PLRs are intended to be used as an engagement tool for leaders to discuss the hazards and trends impacting Soldier safety and readiness. The PLR contains only basic information but provides sufficient background to allow leaders an opportunity to communicate risk at the Soldier level. More detailed information on this and other Army mishaps can be found on the U.S. Army Combat Readiness Center website at <https://safety.army.mil/lessonslearned>.*
