PMV-4 Mishap Claims One Soldier's Life

A Specialist assigned to Camp Humphreys, South Korea, died in a PMV-4 mishap 21 August 2022 in Pyeongtaek-Si, South Korea, at 0143 local. The USAG-Humphreys AP Provost Marshal Office was notified by traffic investigators of a possible drunk driving-related traffic accident resulting in a fatality. The driver failed to maintain their lane and struck a guardrail. The mishap Soldier (passenger) was ejected from the vehicle and found unresponsive at the scene of the accident and later declared dead.

Since 2017, the Army has lost an average of 35 Soldiers a year to PMV-4 mishaps. This mishap was the 27th PMV-4 fatality of FY22 and below the number of fatalities for the same time period last year.

PLRs are intended to be used as an engagement tool for leaders to discuss the hazards and trends impacting Soldier safety and readiness. The PLR contains only basic information but provides sufficient background to allow leaders an opportunity to communicate risk at the Soldier level. More detailed information on this and other Army mishaps can be found on the U.S. Army Combat Readiness Center website at <https://safety.army.mil/lessonslearned>.
