PMV-4 Mishap Claims One Soldier's Life

A 31-year-old Staff Sergeant assigned to the Florida Army National Guard on Active-Duty Special Work (ADSW) orders died in a PMV-4 mishap 9 July 2022 in Clay County, Florida, at 2140 local. The Soldier lost control of his vehicle, which overturned after striking a tree. The Soldier was found partially ejected through the sunroof. He was pronounced dead at the scene by the Clay County Fire and Rescue Department at 2153. It's currently unknown if speed or alcohol were contributing factors to the mishap.

Since 2017, the Army has lost an average of 35 Soldiers a year to PMV-4 mishaps. This mishap was the 30th PMV-4 fatality of FY22 and below the number of fatalities for the same time period last year.

PLRs are intended to be used as an engagement tool for leaders to discuss the hazards and trends impacting Soldier safety and readiness. The PLR contains only basic information but provides sufficient background to allow leaders an opportunity to communicate risk at the Soldier level.
